UK/USA

Halal Angels Network is among the first to penetrate the \$5 trillion Halal consumer market and has teamed up Education Partnerships UK to develop and provide training and certificate courses in entrepreneurship, skill development, Islamic finance to aspiring entrepreneurs.

Halal Angels Network was launched to promote innovation, entrepreneurship and start-ups, and inspire investors across the world to tap into a sector that will be worth \$9.71 trillion by 2025 (Reuters, 2019).

UK based, Education Partnerships UK is professionally managed educational and training company that help individuals achieve their life goals. With over 15 years of experience working in diverse market conditions, it applies a rigorous research and analytics approach to provide quality education and training, which has enhanced individuals personal and professionals goals and generate economic activity.

Education Partnerships UK is globally recognized top educational and training company and works with Universities, Educational Institutes, Governments & NGO's .

The angel network is adopting new, innovative technology to digitize the way they present, distribute and manage Halal-based deals. In doing so, angel investors will benefit from greater access to deal flow which can be profiled based on their interests, risk appetite and current portfolio.

Saeeda Ahmed, Founding Director, Education Partnerships UK said that “A post Covid-19 world needs flexibilities and new solutions that enables multiple ways of economic participation. The education and economic participation must be inclusive of all people succeeding and enable economic activities regardless of where someone is located. The education sector has often focused on career and job creation rather than entrepreneurship therefore substantially limiting

livelihoods with Covid-19 lockdowns. The \$4 Trillion Ethical and halal economy creates substantial opportunities for entrepreneurship, social inclusion and creation of jobs not just for Muslims but all interested in the Ethical space. It is profoundly important to create new ethical and business opportunities from the UK as a gateway to the rest of the world. Halal is actually ethical, where the entire process of operating the business is about environment sustainability, ethically dealing with business associates, team and honesty towards various stake holders.

Our approach is inclusive and aims to increase the success rate of start ups by intense ecosystem of support incorporating business planning, financial literacy, British accredited skills-based training, mentoring and the right types of support networks.

The entrepreneurs will not only tap into the \$5 trillion ethical and halal consumer market but also provide inclusive lifelines for struggling economies and societies”.

Dr Tausif Malik, Founder of Halal Angels Network said, “With over 1.5 billion Muslims in the world, the Halal industry offers tremendous opportunities across the Middle East, North Africa and South Asia. Based on the constant track record of delivering quantity education across the globe for over 15 years with a great experience on helping individuals achieve their career & professional goals, we felt that Educational Partnerships UK were the right partners to provide training and certification to aspiring entrepreneurs”.

Dr Tausif Malik further said that “As education & knowledge plays an important part in successful decision making, therefore we partnered with Educational Partnerships UK to provide certificate courses in entrepreneurship, skill development, Islamic finance. Education Partnerships UK is an innovative company working with British Awarding Organisations, Colleges and Universities to provide British qualifications and accreditation for our national and international clients. Also we have worked with Saeeda Ahmed, Founding Director and have great experience with them”.

Both Halal Angels Network & Education Partnerships UK work together to training and certificate courses in entrepreneurship, skill development, Islamic finance to aspiring entrepreneurs.

Halal Angels Network is now calling for angel investors countries to join them and discover over 1,000 investment opportunities within the flourishing market – from pharmaceuticals and modest fashion through to food and tourism.

Recently Halal Angels Network had tied up Fintech major Delio to use their digital platform showcase Halal-based deals to a much more international audience, connecting angel investors across the world not just with deals, but also with each other. Halal Angels Network (HAN) has partnered with Halal Board India for Halal compliance & certification and, SSC Capital of Tanzania to tap the African investment market.
