Halal Angels Network

- » Halal Angels Network, World's 1st Angel Network was launched in May 2020 to connect entrepreneurs and investors in the Halal consumer space.
- » Halal Angels was founded by Dr. Tausif Malik, an Indian American social entrepreneur.
- » Halal Angels would host series of webinars leading on to in-person global conferences - Tanzania, UAE, USA, UK, Japan, Singapore, Italy, Maldives, Jordan & Malaysia.

HALAL CONSUMER MARKET

- Various organisations and governments are organizing Halal Expos to promote Halal products and services.
 - There are many micro-finance, crowdfunding, venture capital companies helping Halal Businesses but they are limited to a geographic region due to legal jurisdiction.
 - The Halal Businesses & Entrepreneurs are facing funding challenges, hence there are not scaling and emerging as multi-million or billion dollar unicorns.
 - Indonesia is the only Muslim country with the maximum billion dollar unicorns startups.
 - Halal Angels Network is the only Angels Network trying to connect International Angel investors with startups.
 - Many, non Muslim countries are have identified huge market potential to offer Halal goods & services to the 1.8 Billion Muslims. Vietnam has taken new initiatives for this market.
 - If, the funding challenges is not resolved then the Halal Consumer market will not reach its potential.
-

Importance of Ethical & Halal Finance

- Ethical/Halal/Social Impact investment removes or minimises the crony capitalism and helps in developing holistic economic development.
- Ethical/Halal/Social Impact organisation invests in socially and sustainable projects which have long term impact on people, society and environment.
- Ethical/Halal/Social Impact organisations are not fly by night operators or speculative in nature, hence reduces corruption and greed.
- Ethical/Halal/Social Impact organisations are interested in earning profits for their investors but not at the expense of people, society and environment.
